Seismic Retrofit Workshop for Homeowners

Saturday April 9th

10 am - noon

The Castro Valley Library

3600 Norbridge Avenue, Castro Valley (near Castro Valley BART)

Join the Association of Bay Area Governments, retrofit contractor Howard Cook (bayarearetrofit.com), and structural engineer Thor Matteson (shearwalls.com) for a free workshop on retrofitting your home and preparing for the next big one, hosted by the Castro Valley Library.

Take the Quiz to find out if your home and emergency plan are ready for the next big one at quake.abag.ca.gov/residents

No registration is necessary and there is no cost to attend. Contact Danielle Hutchings, ABAG Earthquake and Hazards Program Coordinator at 510/464-7951 with any questions or visit quake.abag.ca.gov
